

Summer in the City...

Dear Friends, Luthiers and Business Partners,
 we are proud to introduce two groundbreaking product lines.
 Capture your advantage!
 All the best from the developing division of ABM - Germany

ABM 2500 Series - „Tone-O-Matic“

Major Tom...

- Sophisticated tone, rich harmonics & endless sustain!
- Milled from a block of solid Bell Brass
- An excellent replacement for your guitar range
- Locking function (feature not available in the USA, but the bridge even sound much better „unlocked“).
- A great combo with an ABM StopTailpiece
- Available in Mid of July. Do not miss the train!
- Retail: 57,98€*. Please ask for your purchase price. *(ex. VAT)

2500: ABR-1 Type
 2504: Nashville
 2506: Asian-Nashville
 2548: 4mm to M8 Adapter

NEW

5400 / 5500 Series „KATANA“ **

Finetuning-Tremolo

The „One Block Design“ of a solid brass bridge body & a steel knife edge improves the guitar's tone tremendous.

5400 = Advanced State-of-the-art model
 5500 = Classic type with locked saddles

A perfect Floyd Rose replacement :

- No string break by flat locking!
- Precise setup of intonation
- Plug-In threadless whammy-bar
- Lifetime product ~ all wear parts are exchangeable
- Including milled lock nut and all accessories!
- New matt finishes available (sandblasted)
- 12" radius or (16-17"with extension kit 5467 / 5567)
